ESKOM REF:

DISCLAIMER

This certificate certifies that the certified product has been tested for compliance with the version of the Standard Transfer Specification (STS) current as at the date (as detailed above) of testing and that the certified product has been found to be STS compliant to the extent tested, as required by the STS Association. This certificate does not certify or imply STS compliance of every actual or potential feature of the certified product nor that the certified product is or will be interoperable with STS compliant products other than the certified product. In this regard, the STS Association does not and will not indemnify any person against claims of any nature that may arise out of the testing, certification, use, sale or distribution of the product and the STS Association is hereby indemnified against all liability for any claim by any party arising from any defect or other characteristic of the certified product.
